

IS YOUR CHILD AT RISK OF LOSING HEALTH COVERAGE

due to an unexpected life change?

- Going through a divorce?
- Have you lost your job or had your hours reduced?
- Have the insurance premiums at work increased?
- Lack of employer sponsored health insurance?

Life changes can result in loss of health coverage. Help is available. Find peace of mind with **PeachCare for Kids** (CHIP). **PeachCare for Kids** is a no cost or low cost comprehensive public health insurance program for children and teens (ages 0-19) available to working families. Coverage includes medical, dental, vision and specialist care.

Parents, grandparents and other legal guardians can apply on behalf of their children. Kids stay enrolled as long as they qualify. Renewals required yearly.
